

TOP SECRET/SENSITIVE/EXCLUSIVELY EYES ONLY

June 18, 1971

TO: Ambassador Farland

FROM: Henry A. Kissinger

sent

I expect to be able to begin to surface my planned trip to Southeast Asia and the sub-continent early next week. The cable which you will receive will show stop in Pakistan only July 8 through 10. This is to provide symmetry with the India stop. You should not be thrown off by this. An additional day will be added to the stop with you while I am en route.
